Analytic

ALCOHOL: 14.5 %
 TARTARIC ACIDITY: 4.9 gr/l
 VOLATILE ACIDITY: 0.2 gr/l
 PH: 3.71

Azul y Garanza
BODEGAS

Low-production vineyards located in the influence area of the Desert of Bardenas Reales of Navarra (the biggest desert of Europe) and in the Pre-Pyrenees. The very poor and arid clay-calcareous soil, the dry weather and and the big contrast of temperature between the day and the night provide grapes with high concentration and a perfect balance.

Vineyards of Biodiversity

Azul y Garanza is now a more complete and exciting viniculture experience with the addition of new enriching varieties, soils, climates, collaborators and wines. Wild-natured vines, full of biodiversity and astonishingly beautiful; organic and endowed with special faculties which result in one-of-a-kind wines. Wines which are a clear reflection of the place they come from”
