First certified organic wines of Montsant. The vineyard, 20 to 75 years old, is located in the Llaberia mountain range (natural park), among Capçanes and Tivissa, surrounded by forest. Every summer afternoon, a wind coming from the Mediterranean called "Marinada" cools down the temperature a give to the wines a special freshness.

Vineyards of Biodiversity

Azul y Garanza is now a more complete and exciting viniculture experience with the addition of new enriching varieties, soils, climates, collaborators and wines. Wild-natured vines, full of biodiversity and astonishingly beautiful; organic and endowed with special faculties which result in one-of-a-kind wines. Wines which are a clear reflection of the place they come from"
